ROBERT J. KOVICH  
U.S. DISTRICT COURT  
FOR THE NORTHERN DISTRICT  
OF INDIANA

Dear Judge DeQuillio,

Yesterday in Federal Court before the magistrate Judge I attested to represent myself. So I am writing to you pro se.

I currently have 16 pending motions for Bond. As of the initial bond hearing on May 22, 2014 my past attorney was not prepared for the hearing since he was returned that day.

I also do not have a copy of the affidavit for Bond that was filed with the court over a week ago. My understanding is that Mr. Belmont has not responded.

My ex-attorney also stated he had received numerous checks of discovery which he never shared with me. I would like to get this from him, will the court please order them returned?

Your Honor, in my previous writings to you I indicated Mr. Schmidt's character assassination did not support the magistrate's decision that I was a flight risk. The witnesses only testified as to their feelings toward me.

The witnesses were not from my community (Grueney) and were involved decades ago.

My case is extensive and complex. My family is devastated and young. My children are ages 15, 13, 9, 8, 6 — I want to defend my innocence for the sake of my family as well as myself. And I want to do this in a professional manner. Not Notes and letters hand written on legal paper. I also need computers to download disks of discovery. And most of all I need to get my family affairs in order. I have been in the country 7 1/2 for 4 weeks.

I plead with you again to

Afford me the right to due process, and to grant a bond predicated on the basis of what was filed by Mr. Milner as well as my own expeditious.

On May 22nd 2014 the Magistrate Judge elected to set a trial date of July 14th. This is not only insane but impossible.

The companies I was involved with help connect 20 million miles of fiber optic cable and produce over 10,000 products in a period of 14 years.

It will take months to prepare for this trial.

I respectfully request that the pending motion for an OR Bond be granted.

Respectfully,

Sammy Let Down
